

Sacchetto

Paper pocket with already inserted napkin and extra-opening to insert the cutlery. Mostly used at FSR for lunch and for outdoor occasion. Really practical to prepare in advance and ready to be set during peak time. Avoid the napkin to fly away and hygienic due to the paper protection.

Features (max 5)	Reason for being - Why	Segment	Benefits end-users (max 3)
Paper pocket with napkin and opening for cutlery	Prepare in advance	Hotels	Use sacchetto for buffet breakfast, as it is easy to carry and do not take space on the table
