MEETING

- If possible – set one or two tables before the meeting starts – both LED and living candles if possible – start with heroes – Star stories red and Linen snow. In addition “Brilliance” in all three colors - just put them on the table with Linen snow as “extra” – greige and white is perfect match and black will be the eye catcher
- Always start with asking about the present table covering and napkins – talking out from the tables decorated
- If Christmas tables – sitting or buffé – additional sales for the buffé – “glögg” before = additional sales of napkins as well if the dessert is at a separate table – Dunitex for the buffé table
- If event / catering customer – always show the table skirt as well as the reels on wheels concept

Christmas sales
